"Dedication"

BECAUSE dedication and sacrifice are synonymous terms, dedicated men are rare, dedicated teachers even rarer. To be a dedicated teacher a man must be willing to do more than simply instruct, he must give a second effort in the classroom to cultivate intellectual curiosity; he must be ready to do more than just coach, he must seek to instill a desire to excel; he must have more than a good character, he must provide an image which we seek to emulate. For such a man, a so-called yearbook "dedication" can be but a token of the respect in which he is held.

Mr. William J. Schmidt

"devotion to his men,"

FOR stimulating teaching in the classroom, for inspirational coaching, training, and athletic leadership, for high personal integrity and a guiding character, for "third-rib" devotion to his "men," and for making his first year at Tilton our finest, we the Class of 1964 humbly dedicate our Tower to Mr. William J. Schmidt.

"Instill a desire to excel . . ."

Rams Down New Hampton Green - First in Seven Years

HIGHLIGHTING a 5-2 season with a brilliant victory over arch-rival New Hampton before an enthusiastic Parents' Day crowd, the varsity football team captured the mythical Lakes Region Football Championship.

Working under the inspiring leadership of new Coach Ed Burke, the Rams, led by Captain Blaine Etter, forged a team which was built on a pin-point passing attack, a steady ground game, and a tight defense.

Tilton lost its opener in a heart-breaking 14-13 game to K.U.A. It was a close and hard fought game that saw both teams penetrate deep into opposing territory only to be thwarted. The Tilton scoring was marked by a fine pass from Don Mooradian to end Ed Neville and an extra point by Chuck "Toe" Vurgaropolus. A second half end sweep by Bob Foti completed the Tilton totals.

An anxious and spirited Tilton squad journeyed to Braintree, Mass. where the Rams, rated as underdogs, blasted Thayer Academy 18-0. The taste of victory was sweet as Gary Hunt broke loose to a 55 yard touchdown. Fullback Chip Morgan scored an eight yard plunge and wiped out

all doubt with a spectacular 80-yard touchdown on an intercepted pass.

In the Rams' third game, they tipped Hebron Academy in a wild-scoring, exciting game. The score ended 25-22 in a game whose lead changed six times. Quarterback Don Mooradian clicked with many fine passes to ends Curt Ivey and Ed Neville. Scoring for Tilton were Dave Burnett on a fine 15 yard sprint, Curt Ivey, Chip Morgan, and Ed Neville. This win broke a two year jinx against Hebron.

A long journey to Kents Hill in Maine proved to be an unpleasant one as the Rams fell victim by a score of 18-12. The 90° weather proved conducive to sloppy play as Pete Dexter and Rich Connor scored the Tilton touchdowns.

In the highlight of the Fall sports season, the fired up Rams defeated arch-rival New Hampton with a brilliant team effort. Fine performances by linemen Etter and Teeter marked fierce line play. A remarkable show was seen in Mooradian and ends Neville and Ivey, as the Tilton team constantly went to their powerful passing game. Tilton lit the score board first with a Mooradian to

Neville pass and a two point conversion by Chip Morgan. In the third quarter Pete Dexter scored on a pass play to make the score 14-6. The score remained the same to the delight of the large Parent's Day crowd. At the final gun Tilton saw the end to a seven year losing streak to New Hampton and all were jubilant as Coach Burke was carried off the field.

Proctor Academy invaded the Tilton field only to lose to the powerful Rams by a score of 22-6. Tilton held the lead from the start as Dave Burnett scored twice and Pete Dexter once. Conversions were made by Dexter and Neville.

The Rams' eleven wound up the season with an overwhelming victory over Northwood School, 26-0. The Seniors went out in style as Don Mooradian threw a touchdown pass to Pete Dexter and proved again his promise as college material. Fine performances by Dave Lindquist who scored on a punt return and Russ Biladeau and Ed Neville, who scored a touchdown and conversion, respectively.

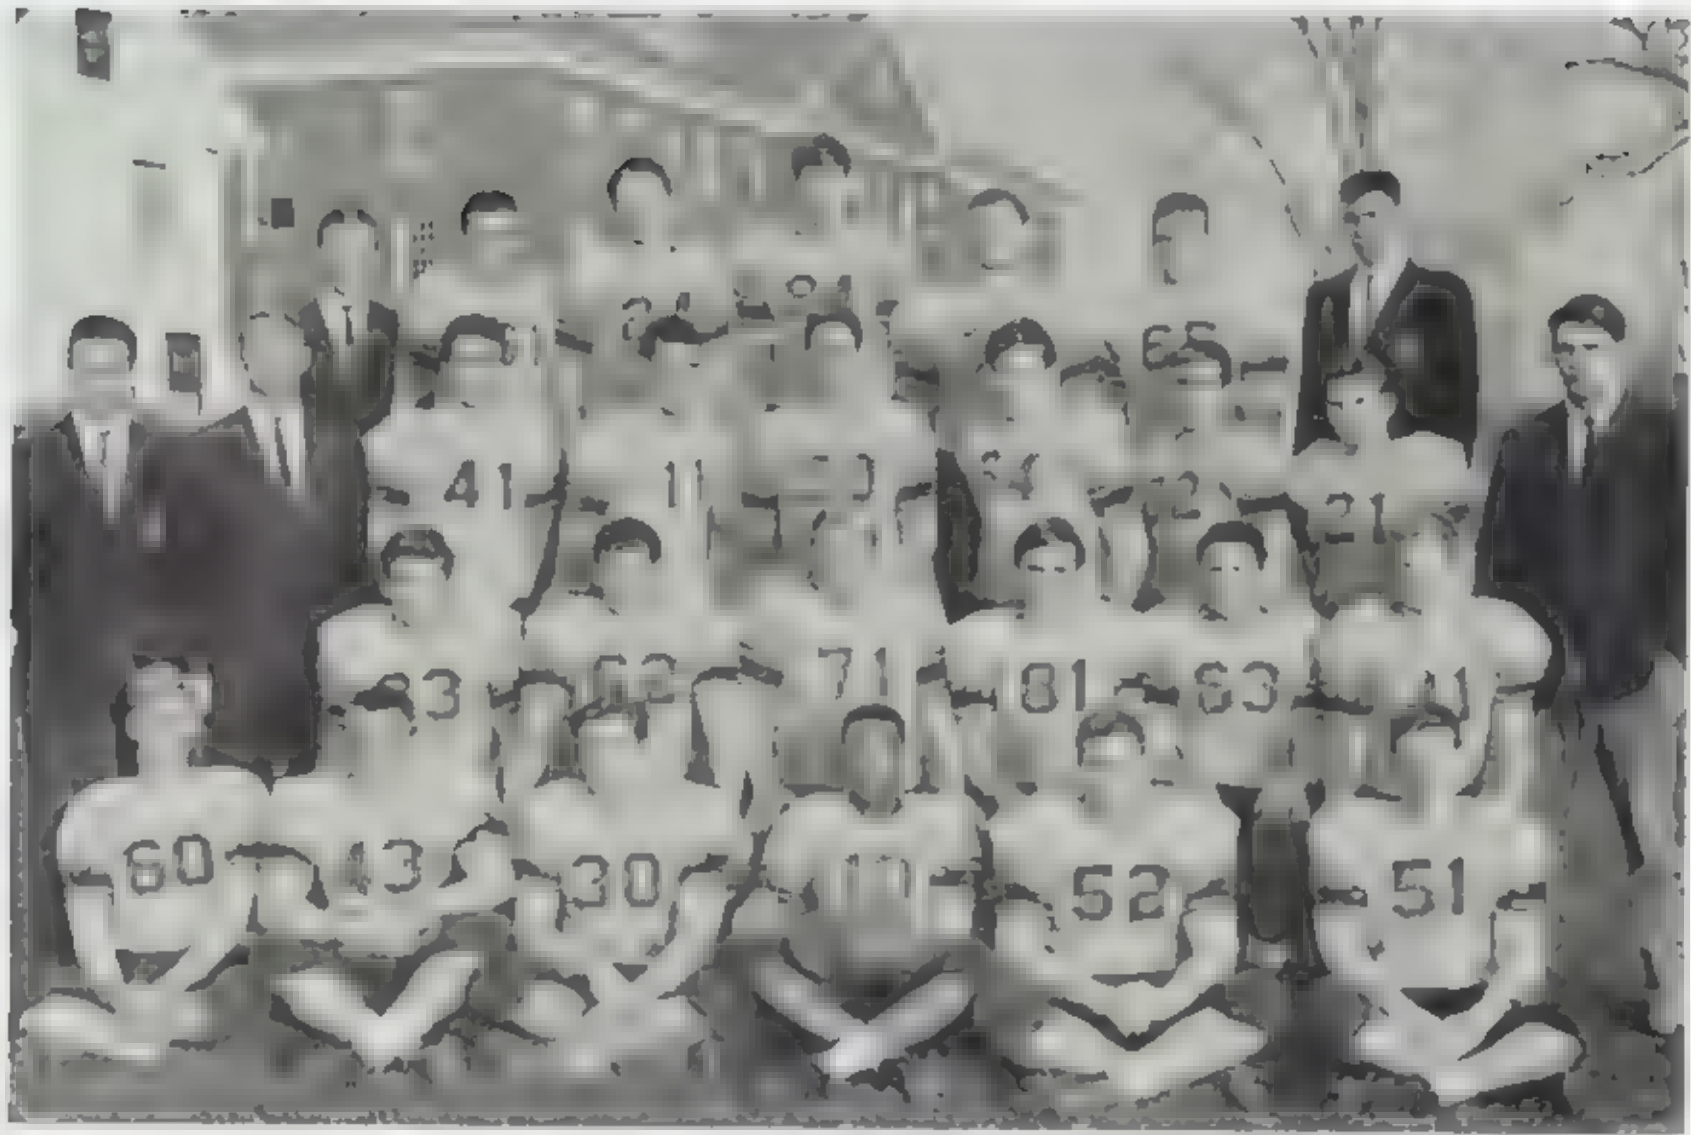

The final record turned out to be 5 wins and 2 losses for a Tilton squad marked by unique hustle and drive. It was a Lakes Region championship for Coach Burke in his debut who, along with assistants Mr. Ryerson, Mr. Brown, and trainer Mr. Schmidt, is deserving of much credit.

COACH NICHOLSON'S J.V. football team faced powerful opposition, and only succeeded in winning two of their seven game slate. However, with traditional Tilton spirit, the J.V.'s had learned how to function as a team and benefitting from previous mistakes, they forged ahead with an undying desire to win.

In our first outing, we downed Proctor by a score of 12-8. Defense ruled the game until Bob Fay broke through for a touchdown in the third quarter. Our winning score came when Paul Parks crossed the goal line on a sparkling end run

The Junior Rams met their first defeat at the hands of Laconia, 22-14.

It was a hard fought game that saw a fine touchdown effort by Henry Lockwood go in vain.

A heart-breaking loss marked the game with K.U.A. as we ended up on the short end of an 8-6 score. The sole touchdown was scored by Tom Lucas.

Our fired-up Ram J.V. team made the journey "up the road" to meet arch-rival New Hampton, only to lose to our stronger opponents by a score of 28-8. The lone bright spot for Tilton was a long touchdown run by Dave Williams in the first quarter.

Dave Williams in a game with Holderness started the Tilton scoring

with a run in the first quarter. Sid Dines hit the scoreboard on a pass from Steve Wedlock, to make the score 12-0. In the second half Holderness scored, but the J.V.'s retaliated with another Wedlock to Dines touchdown pass to complete the scoring, 18-8

Although Tilton showed its best effort and spirit of the year, the Rams lost again to the more powerful Laconia team, 16-6. Lockwood scored the lone touchdown on a short pass.

In the final game of the season the Rams lost to the Brewster varsity by a score of 34-0. The J.V.'s displayed great determination, but were unable to stop the larger Brewster team.

Captains-Elect Lead Harriers as New England Champs

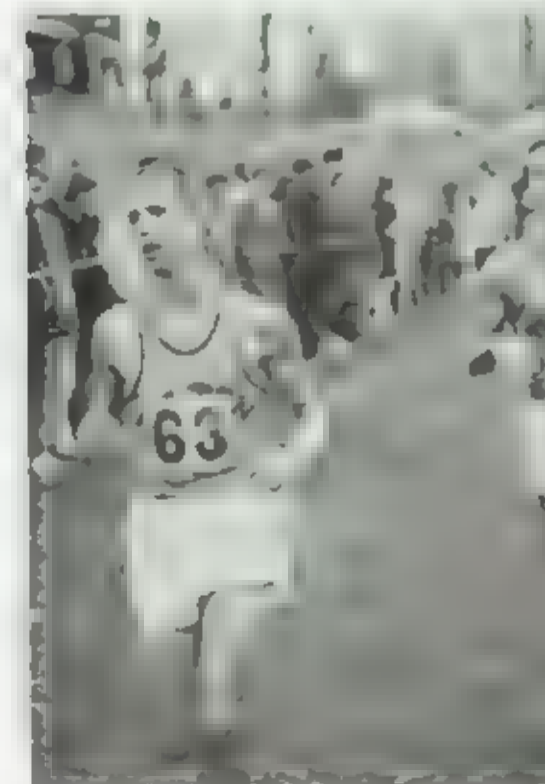

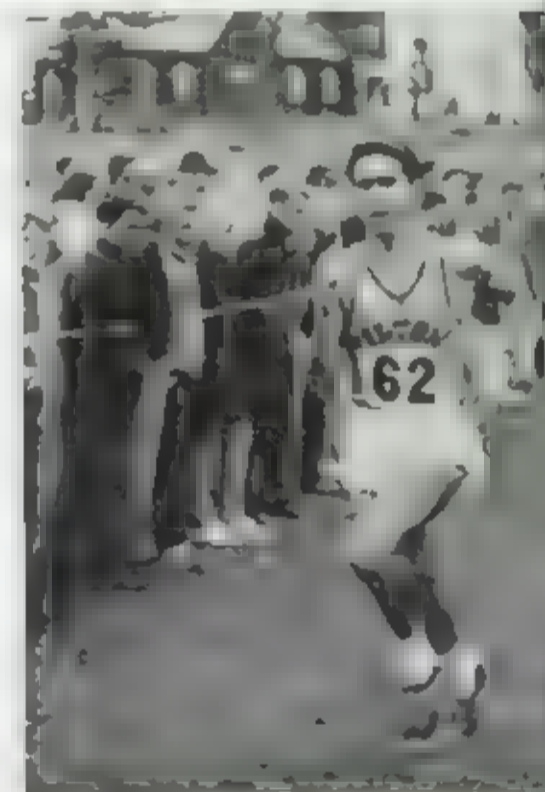

WITH the superb coaching of Coach Theodore Garland, the Black and Gold harriers streaked to another undefeated season and their second consecutive New England Championship. Traditional team spirit, fiery determination, and unmatched depth were the keys that opened the door to an unchallenged four year record of 35 and 1.

The Tilton men forged ahead from the start with strength and spirit to win easily their traditional first race with Laconia, 18-45. Dick Traister streaked across the finish line first to begin a long series of record-breaking runs followed by Scott Laurans, Captain Mark Zander, Jeff Stevens, and Terry MacLaughlin.

After having taken another meet from Laconia, Tilton went to tackle this season's most important foe, K. U. A., which has been the only team able to squeeze a win out of our harriers in the past four years. Showing unusual spirit, Tilton easily won 15-48 with the same five man line-up. In their closest meet Tilton won again against St. Paul's, 20-35. The only danger came when St. Paul's managed to place two men in the top seven.

At the half-way mark Tilton proved to be too strong for New Hampton and easily won, 17-45. Against Berwick and Lawrence, Tilton was the victor again, 18-45 and 19-36, respec-

tively. In the second meet against New Hampton, Tilton was in danger missing Captain Zander, MacLaughlin, and Johnson. However, with strong determination the team decisively won, 19-42.

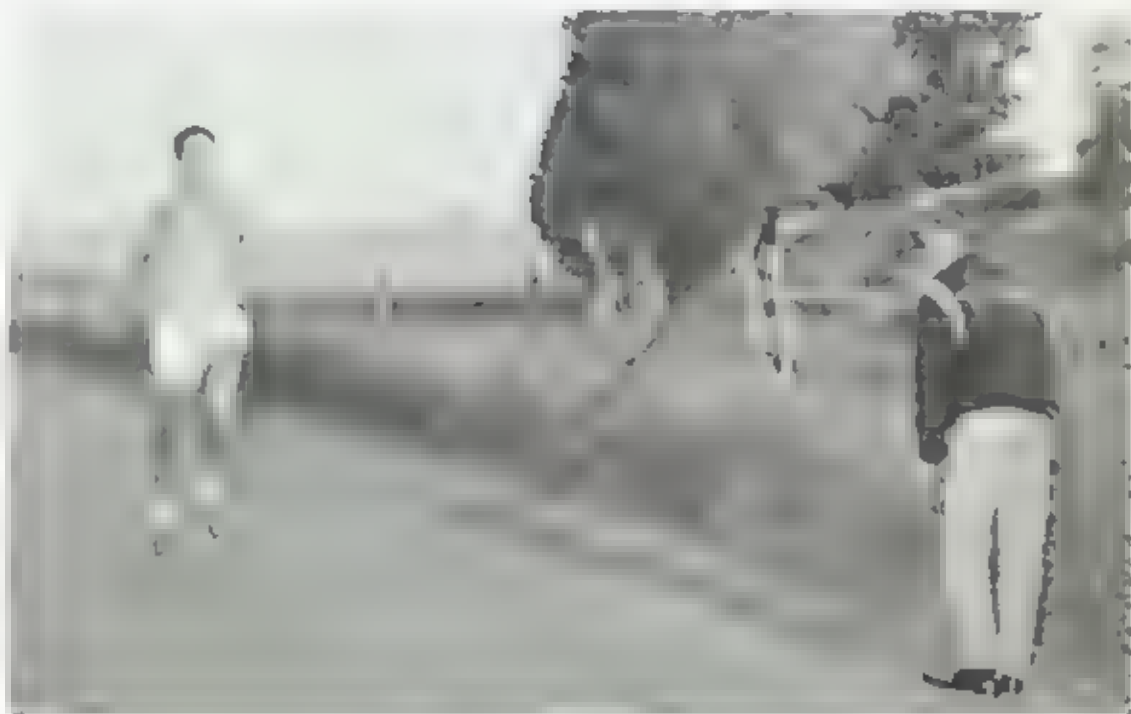

On a cold windy day, Tilton traveled to Mt. Hermon to defend its title in the New Englands. Finishing first and second respectively, Dick Traister and Scott Laurans, next year's co-captains, paved the way to victory. But, it took a team to win and the determination of Stevens, Zander, MacLaughlin, Raymond and Boyd gave Tilton the strength and the speed that it needed. It was victory for Tilton and an unmeasurable satisfaction for Coach Garland and his team of harriers.

In their last meet Tilton beat Berwick with Traister and Laurans putting in their best times, 12:48 and 13:01, respectively, followed by excellent times from the rest of the team.

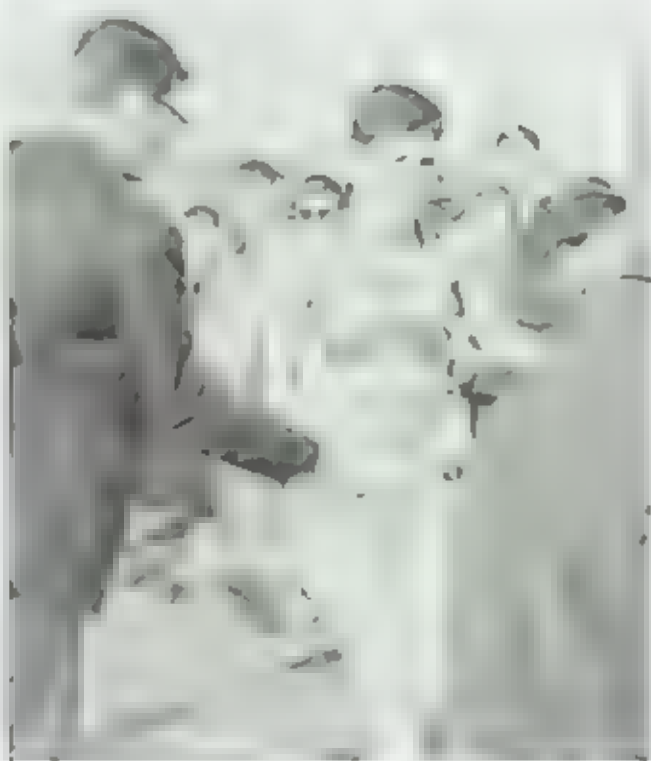

Because of the spirit on both teams, the varsity harriers are looking forward to another successful season led by Traister and Laurans and aided by promising strength from the J.V.'s.

DURING the first season in which they were given true recognition as a team, the junior varsity cross country squad put together the admirable record of three wins and one loss, losing only to the Tilton-Northfield varsity.

The season started with two meets against Laconia High School. Tilton came out the victor in the first of these with the score of 15-48, the race taking place at home on the reservoir course. Bill Cosford nailed down first place, followed closely by Chip Chandler. The black and gold put on a great display of depth with Bob Svenson taking third, Dick Goyette fourth, and Mike Gilman fifth.

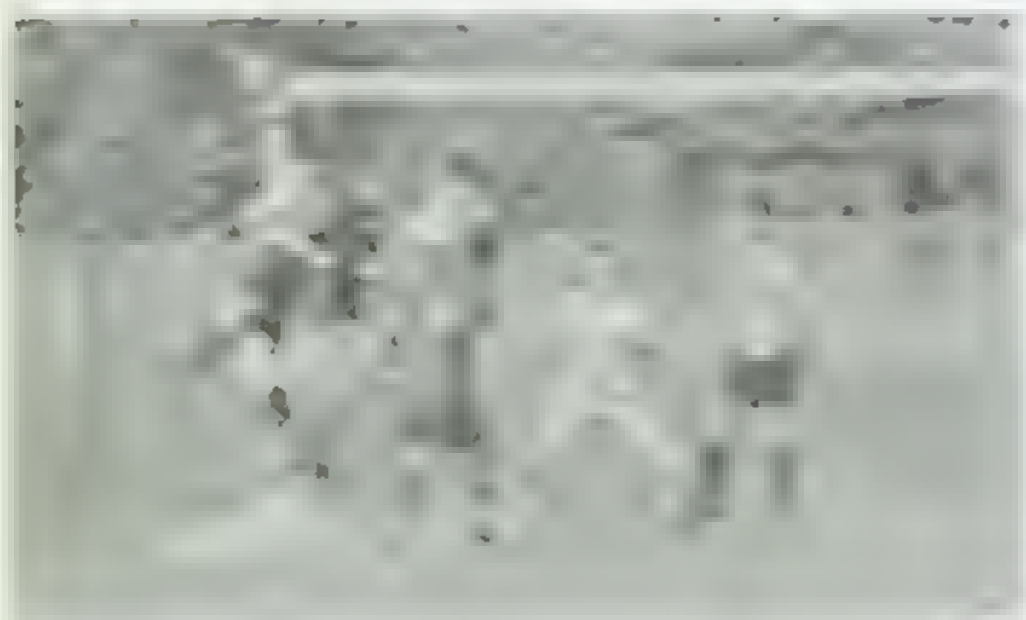

Travelling to Laconia made no difference, for Tilton came out on top again. This time it was the perfect score of 15-50 with the entire team of nine men finishing ahead of all the Laconia runners. Bruce Raymond and Bob Svenson led the way with Bill Bates, Dick Goyette, and Chip Chandler right behind to make the race look like a Tilton parade.

In a much closer race, the Kimball Union junior varsity met their match and went down to defeat by the score of 23-32. A strong sprint near the finish by Bill Bates enabled him to pass a K.U.A. runner and give Tilton a valuable first place. Although a K.U.A. man placed second, Booth placed third, Bob Svenson fourth, and Chip Chandler placed sixth forcing Kimball Union to settle for second best.

In a race run in freezing weather and a light snow, the Tilton J.V. suffered their first defeat of the season at the hands of the Tilton-Northfield varsity. Bill Bates took first place once more but behind him were two Tilton-Northfield runners. This gave them an advantage which the black and gold was not able to overcome. Fine running by Booth Kates fourth, Russ Armstrong sixth, and Bob Svenson eighth, made the race extremely close, but a Tilton-Northfield man always between two Tilton runners, made them too tough to catch. The final result was 26-29.

The junior varsity showed tremendous potential and should be of great help to next year's varsity.

Booters Take Lakes Region Championship With 7-1-2

TILTON'S Lakes Region Soccer Champions enjoyed their best season in recent years, retaining their crown with a record of seven wins, two ties, and one loss. Combining the brilliant defense of Dave Hanson with the steady

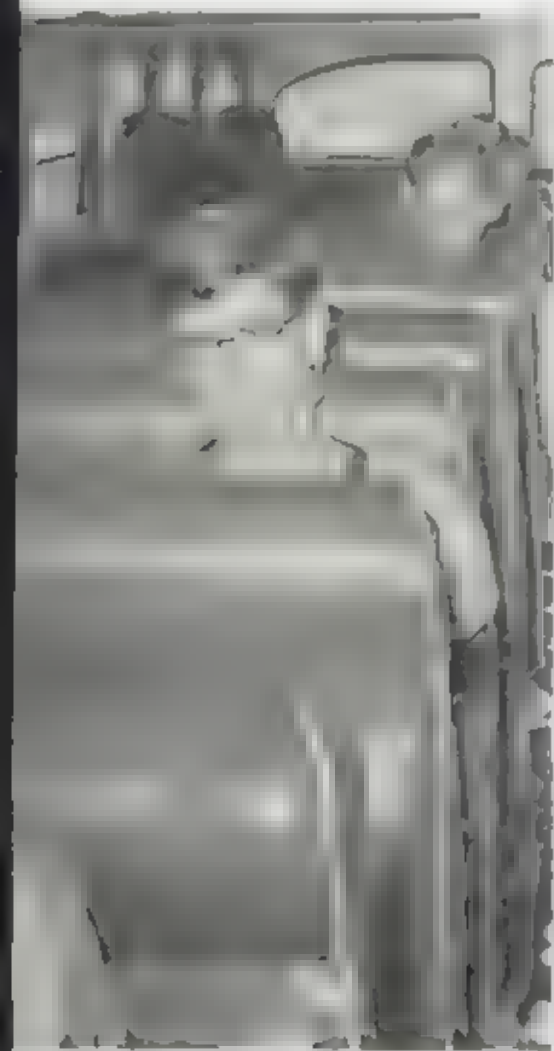

offensive play led by Captain Dave MacKallagat, Mr. Perkin's crew played best when under pressure. The hustle and team play distinguished this team from the mediocre and molded them into champions.

Well, the over confidence was shaken off, but it was taken over by disappointment, for we lost to Fryeburg a game we should have won. In any case, we shrugged it off and now we were all bent on beating our arch-rivals, New Hampton. It was Parent's Day, the big game of the season, and Dave Hansen and Al Taylor formed an impregnable defense. Steve Myers only let by one goal, and that was a penalty kick. However, Mark Boynton connected for two goals and won the game for us.

All that was left was Holderness, and then the championship was ours. It was a rainy, muggy day, but Tilton played their hardest and best game to win the championship.

The team's mainstay was the defense and goalies. Against Bob Walton and Steve Myers only six goals were scored. In front of these two stood "Golden Toe" Hansen and

The team had depth and potential, yet started off in a disappointing way. We tied Brewster 1-1, in a game that should have been an easy victory for us; yet this didn't stop us from winning consecutive wins. Unfortunately, over-confidence got the best of us, and an improved K.U.A. team, bound for revenge, showed us the way we should have played soccer. Thanks to Bob Stevens, we salvaged a 1-1

"Horse" Taylor, who ruined anyone who came close to scoring. The half-back line of Dave MacKallagat, Mark Stevens, and John Wiggins, gave much help and backing to a hard working forward line of Bill Zullo, Pete Fertig, Mark Boynton, Bob Stevens, and Pete Blasini, who accounted for the team's 19 goals. Now we look forward to a successful season next year.

GOING undefeated, Mr. Selvin's junior varsity soccer Rams compiled their best record in history, eight wins and one tie. Led by Captain Chris Carrier, the inexperienced group quickly molded itself into a team which displayed both spirit and unity. The offense led by the high-scoring of Captain Carrier and the defense led by the net minding of Jim Long dominated throughout the season. Success for the Junior Rams was spelled desire, hard work, and sacrifice.

The season opened at home against Brewster where the squad won, 4-2.

Captain Carrier, Mark Albers, Harrie Hart, and Burt Horner played an outstanding game. In the return match at Brewster, the Tilton squad again won 3-0, with goals by Albers, Jack LeFlore, and Jim O'Leary. A fine defensive performance was displayed by Mike Aeschilman as he stopped two penalty shots.

Against Holderness, the team played their best game of the season. Holderness struck first only to spark Tilton to boot in four goals to win the game 4-1.

Meeting a powerful Kimball Union team, the squad played another suspenseful game. Paul Zito's side shot won the game in the last quarter. "Chip" Chepulis, Bob Holbrook and goalie Jim Long kept K.U.A. from hitting the nets.

Against arch-rival New Hampton on October 9, neither team was able to score and so the Tilton squad had to settle for a tie. In the return match on the enemy field, the Junior Rams handed New Hampton a 3-1 defeat. Holbrook and Barry Gorevitz played an overwhelming defense pattern, stopping the New Hampton drive continuously.

In the final game of the season on our home field under constant drizzle, the Rams handed the Berwick varsity squad a 2-1 defeat. Harrie Hart played a fine game leading the team to victory.

With the enthusiasm of Captain Carrier, the team was inspired to keep fighting all of the time. Many members of the team should prove to be great assets to next year's varsity team.

Terry Sets New Scoring Record to Pace Pucksters

DIVERSITY was the epitome of the 1964 Tilton varsity hockey season. Starting out the season with a relatively inexperienced squad, Coach Ryerson braved out a few early season stings at the hands of stronger opponents. But this hard working and hustling squad rebounded over the latter part of the year by winning four out of their last five games.

A 5-1 triumph over Lawrence opened the season on a bright note. The second game, however, saw powerful Vermont Academy polish the Rams, 7-1, which made the squad realize that the Lawrence game wasn't the season. In the following game, Tilton gave the powerhouse six from K.U.A. a run for its money before succumbing to a 7-3 setback. The Black and Gold was then caught off guard by Berwick who took a 5-4 decision. The losing skein was halted by a 5-1 triumph over a solid Concord High club which had split two games with Brewster. The first part of the season came to a close as Brewster cashed in on its opportunities to defeat Tilton, 8-2.

The next five contests, which resulted in four Tilton victories by a rejuvenated squad, included two

bombings of arch-rival New Hampton by the scores of 12-2 and 7-3. Other victories saw the surging Rams skate a 5-3 decision over Proctor and a victory over Berwick which saw the lead sea-saw between the teams before Tilton tallied to win 4-3. Only a 4-0 loss to Holderness marred the strong finish of an improved Tilton team.

Mr. Ryerson contends that this club hustled throughout the season, and every triumph was a one hundred per cent team effort. The stand-out on the team was the slick all around first line center Terry MacLaughlin whose outstanding performance was coupled with establishing a new school record of 26 goals and 17 assists for a total of 43 points. The wings on the high scoring first line were the second highest scorers on the squad, Captain-elect Harrie Hart and Captain Ray Hodgkins, a dependable two way performer.

The first line was backed up by the steady and defensively-minded second line which chipped in a few key goals throughout the season. This line was centered by Pete Fertig with the wings being Gary Hunt and Mike Zapareski. Hatchetman Eric Lewis, whose style caused a little anxiety on the part of Mr. Ryerson, was an extra forward who saw considerable action.

Netminder Blaine Etter, with over 220 saves, was a steady performer throughout the year. In front of Etter

was the hustling but unglorified defense trio of Dave Hanson, Don Mooradian, and Canadian import Al Cohen.

On the whole, the 1964 season was a successful and rewarding experience for both the coach and the players. The record of six victories and five defeats was very respectable for any squad but especially this squad which came a long way from the first few weeks of the season.

ALTHOUGH battling to the last whistle in each game, Coach David Smith's largely inexperienced J.V. pucksters could only amass a 1-8 record. Despite its poor slate, the J.V. Rams showed unceasing drive and spirit in bouncing back to defeat Berwick and lose by only one goal to New Hampton in its last two games.

The pucksters first met a more experienced Holderness squad and were defeated, 6-1. The lone goal was scored by Co-captain Bruce Goodman. The Rams then travelled to Kimball Union Academy, losing one of the best played games of the season, 5-2. Goodman scored in the beginning of the game, but KUA recovered with three quick goals. Hank Andrews, assisted by Tom Lucas, then got his first goal of the season. KUA soon col-

lected two more goals, despite the fine efforts in the Tilton net by Brian Longo.

Poor ice and a slight blizzard met the Rams at the Cardigan Mountain School. Fighting uphill, the J.V.'s fell, 3-0. The Rams met their arch-rivals, New Hampton on home ice only to be shut out again, 3-0. Steve Linnell's first score of the season was called back.

In the home game with Proctor, the Rams exploded in the second period with three goals within a few minutes. Steve Linnell scored first for Tilton, followed by John Proctor. The highlight of the game came when Co-captain Jay Gallagher scored on a penalty shot. Unfortunately Proctor came back in the third period to win, 6-3. In their second meeting with Holderness, the Rams fell, 6-1. The lone goal for Tilton was scored by Dane Gleason.

In the pucksters' first meeting with Berwick, Ernie Ephraimson and Gallagher scored in vain as Berwick edged by 3-2. The Rams again met Berwick, but won 1-0 as John Trachy got his first goal of the season. Brian Longo managed to shut out Berwick for the remaining 28 minutes of play.

The last game of the season was with New Hampton. John Proctor tipped in his second goal of the season in the second period, but the overconfident J.V.'s couldn't maintain the lead, and fell to the hustling arch-rivals, 2-1.

Although the J.V. hockey team didn't gain many victories, they gained much experience and will provide great potential to fill the positions being vacated on the varsity hockey team next year.

Spirit Spells Success For Garland's Black and Gold

If there is one thing for which this winter's varsity ski team will be remembered, it will be the fantastic display of spirit which carried them to their best season in many years.

Pre-season training, known as "Morton's Introduction to Agony, Part I" let the hopefuls know that this was not going to be just one of those years. The snow came grudgingly, and a midseason thaw turned the new ski jump into a shute of mud, but when the team couldn't ski Foster's Hill or Belknap, they "skied" the Old Soldier's course.

On February 5, roughly half way through the season, the team lost their first meet to Holderness after four consecutive wins. The last half of the season saw a victory over Holderness, a third place in a four event Lakes Region Meet at Proctor in which there were six teams competing, and victories over Proctor in an Alpine meet and KUA in another Alpine meet in which there were four teams competing.

The 8-1 season wasn't the real victory, however. The varsity ski team won their victory when they proved that neither poor conditions nor opposing teams of far greater manpower could come close to matching their

TILTON's junior varsity ski team, under the direction of Coach Theodore Garland, completed a rather unsuccessful season, but managed to place in two regional meets. The chief problem seemed to be a lack of experience, but as the season progressed, confidence and skill were gained.

In their first meet of the season, the team journeyed to Kimball Union Academy, and placed fourth out of seven schools competing. Through the hard work of several members, the team placed well in the slalom events.

Four days later, they set out to gain a victory over their arch-rival Holderness. Despite a desire to win, the team lost by a slim margin; however, a fine display of team effort was exhibited.

In a meet held at Foster's later in the season, the team suffered one more close defeat to Laconia. Although each member tried his hardest, the team was still unable to become victorious.

expert skiing skills and placed third out of four teams competing.

The boys who consistently placed high in the standings were Jep Possee, Tim Reese, Bill Emmons, Dick Possee, Booth Kates, and Jim O'Leary. This was the first year that Tilton had a J.V. ski team, and because it proved successful, a prosperous season lies ahead for next year.

In the last, but biggest and most important meet of the year, the team once again travelled to K.U.A. A dual slalom and a giant slalom were the scheduled events. The team executed

"Rookie" Schmidt Sparks Hoopsters to 11-5 Season

EMPHASIZING team effort and sportsmanship, Coach William Schmidt molded his talented varsity hoopsters into a team that would only accept five losses in its 16 game slate. Rebounding from the backboard, and rebounding from defeat were the keys to success for the inspired Rams.

After losing the first game to Berwick, 48-46, Tilton came back after Christmas vacation to overpower a smaller but aggressive Lawrence Academy team, 72-54. With a 62-55 victory over K.U.A., Tilton gave a good indication that a successful season was ahead. Ed Neville came up with some timely shots to spark the team to a win.

At Brewster, Tilton had to pull out all the stops to win 79-73. Ed Neville led the team with 26 points. In the rematch, Tilton had a little easier time defeating Brewster, 64-46.

Again the Tilton team was up for the big one as it toppled Vermont Academy, 62-50. The victory was a team effort all the way with Coach Schmidt's substituting, giving every one a chance to play.

Against Thompson, the Tilton team couldn't quite overcome a fatal first period, as it was defeated, 73-69. With only a few minutes left in the game, a full court press almost pulled it out. In the return game, Tilton gained revenge with a 71-61 victory, as Flip Hamblet led the way scoring 20 points.

In two outings, Tilton failed to overcome arch-rival New Hampton. It looked like a victory in the first game at New Hampton, but Tilton couldn't hold on to its lead as New Hampton went on to a 68-65 victory. Before a large Winter Carnival crowd, Tilton again lost a half time lead and had to go down in defeat, 69-53. The next day, Tilton came back to defeat a smaller Fryeburg team, 76-70. Dave Lindquist led the way with 24 points.

The Rams won their next two games over St. Paul's and Vermont respectively. The team showed consistency and poise in both games as the Rams approached the end of the season.

Against an under-manned Franconia College team, Tilton had no trouble winning by a score of 86-39. All Ram team members managed to score to the frustration of the much outclassed Franconia team.

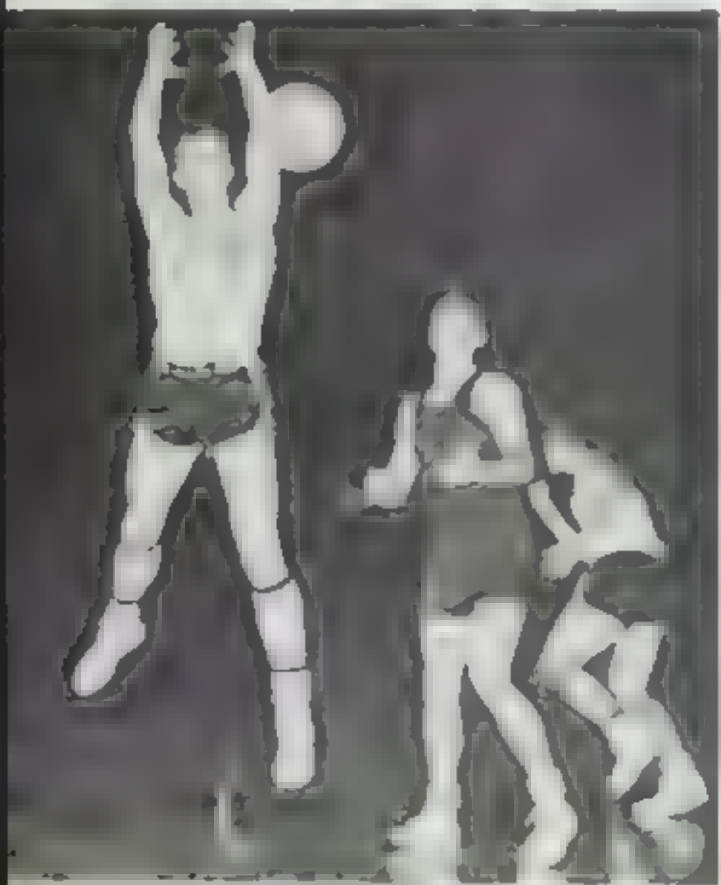

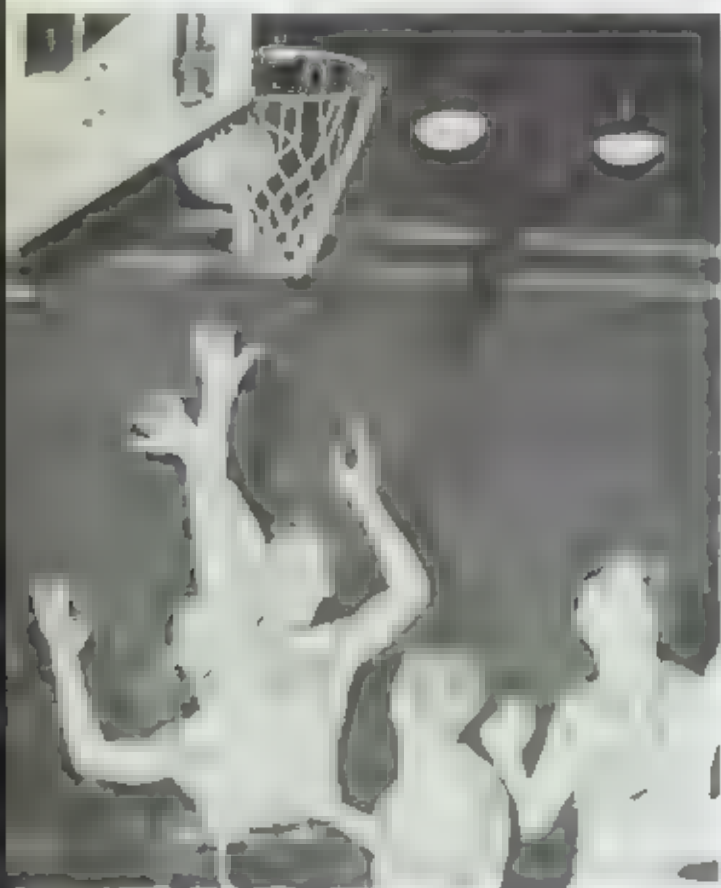

In the final game of the season, the optimistic Tilton squad was defeated by a powerful Exeter team. The Rams couldn't seem to get going in the first half, as they outscored their opponents in the second half, but not sufficiently to make up for the first quarter.

It was a fine debut for new Coach Schmidt. His enthusiasm generated through the whole team, a team whose spirit was truly unique. With returning starters, co-captains elect Rick Connor and Flip Hamblet, and some very good prospects moving up from the J.V.'s, next year's varsity should continue this year's winning ways.

AN extremely talented first string supported by a powerful bench proved to be the downfall of many worthy opponents, as Coach Selvin and Captain Tom Snow piloted the J.V. hoopsters to an outstanding 10-2 season.

The Tilton J.V.'s started the season on the right foot as they clobbered Berwick, 83-59. The attack was led by Captain Snow, Bud Brennon, and Pete Dexter.

Tilton captured its second straight win after the Christmas vacation, a 58-29 victory over the Lawrence J.V.'s. Marty Freeman led the offense with 14 points, followed closely by Captain Snow. Tilton's bench played a major role in the game.

In the third game of the season, Tilton rolled over KUA, 58-19. Defense was the biggest factor in the game as Tilton held KUA to four points in the first half. Tilton also defeated KUA for the second time on our own court. Against Brewster, Tilton took both games, 60-45 and 56-47, respectively.

For the first time this year, Tilton went down to defeat at the hands of New Hampton, 47-40. Brennon led the offense with 17 points in a losing cause. Tilton later avenged the loss at New Hampton with a 52-48 triumph. The game was won on the free throw line in the closing minutes.

Before the largest crowd of the year, Tilton defeated St. Catherine's of Manchester, 54-31, during the Winter Carnival. After the regular season, Tilton lost to the Manchester Boys' Club, 56-53, to end the season with a ten and two record.

Second Half Surge Leads to Lakes Region Flag

AFTER an extremely slow start, the 1964 Tilton varsity baseball team enjoyed an amazing second half season of six straight wins to annex the Lakes Region Baseball Championship. Coaches Ryerson and Stebbins deserve a great deal of credit for getting the team rolling to the championship after only six hits in the first four games.

The trademark of this team seemed to be its tremendous desire to win. They outdid Vermont for twelve innings, 3-2, came back against New Hampton, Kimball Union and Berwick. All through the season, the team never called it quits or hit the showers early, but always stayed in there fighting.

Long after the scores of the individual games are forgotten, the team

will remember those, "eight hundreds, situations, let's go to hitting, and jog it all the way up." Those long practices do not seem as bad now when we look back on the season. Even the umpire we had at Holderness seems to be just part of the great year the team enjoyed.

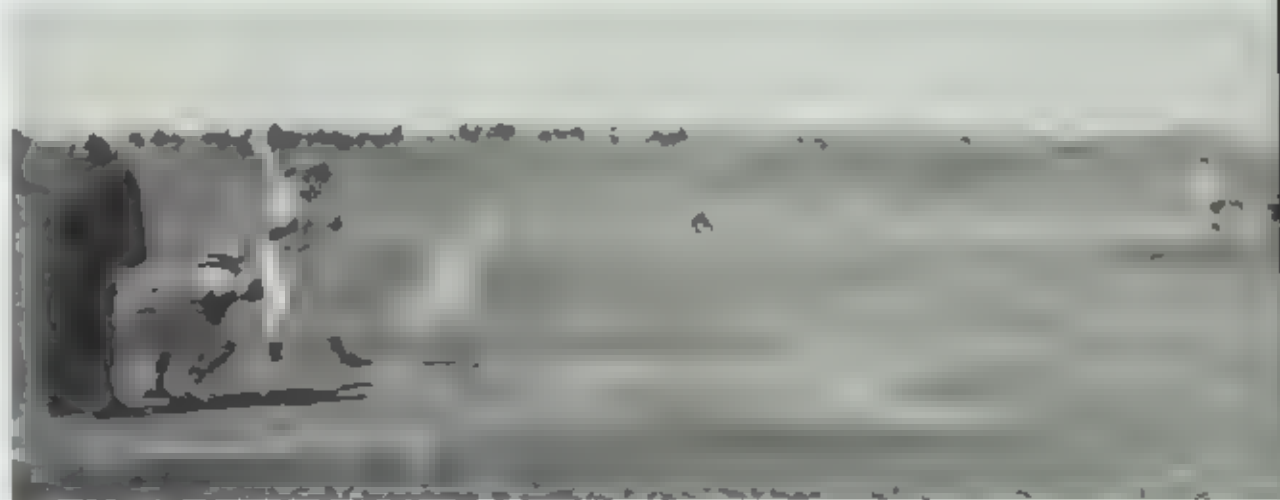

The only individual on the team was the team itself. No one was worried about personal batting or pitching records, but everyone looked forward to the Lakes Region Championship.

Especially pleasing wins were the revenge for our only league defeat, suffered against New Hampton, and a 9-5 victory at Kimball Union. Eight and five overall and six and one in the Lakes — the team deserves a lot of credit after just a one and four

No one on the team will forget Coach Ryerson's curve or Coach Stebbins' fastball in batting practice. From our heavy one thousand hitter to our lightning fast lefty, the team was a unit. It was this unity, the hustle shown all year, and the strong desire to win which made this team a champion.

A ROUSING 17 to 5 victory over arch-rival New Hampton highlighted Coach Burke's successful debut as coach of the J.V. nine. Inspired by their new coach, the junior Rams displayed spirit, determination, and the desire to win in route to a winning 7 and 5 season.

In the opening game, Dick Roy beat Holderness 9-1 as his teammates slugged out ten hits and nine runs. In the next game, a strong Laconia High team invaded our athletic field and went away with a seven to one victory.

The J.V. nine then travelled to Holderness and pounded their foes for eleven runs, winning 11-4. John Heilmann, Bob Svenson, Jack LeFlore,

and Joe Byk led the Tilton attack. Again on the road, the J.V.'s travelled to New Hampton where they lost 11-3 on some costly errors.

The junior Rams picked up another victory as they visited Proctor Academy and won 10-5. Eric Lewis and Jack LeFlore had fine days at the plate.

In a game with Tilton-Northfield High J.V.'s, the Rams exploded at the plate clobbering their opponents, 15-1. Tony Tambone, Bob Chepulis, Bob Svenson, and John Heilmann

each hit home runs to lead the attack.

K.U.A. defeated our team 8-1 as we collected only three hits. The junior Rams again defeated Proctor, 22-9, with an insurmountable advantage at the plate. Jack LeFlore had four hits including his second home run of the year, and Bob Chepulis also hit his second four-bagger.

An aroused Tilton team, seeking revenge, trounced the rival green, 17-5, thus evening the season series. Again on the road, the J.V.'s travelled to Berwick. In a tight pitcher's duel, Berwick won four to two.

On May 27 Cardigan Mountain went down in defeat 7-3. Vermont repulsed Tilton in a close contest eight to five at Vermont. The game wavered back and forth throughout the afternoon.

Lakes Region Championship Copped by Tilton Golfers

BOUNCING back from a poor start, Coach Ross Roberts' squad, led by Captain Dave Hanson, won the Lakes Region Championships at Wolfeboro. Dennis Koblenzer, runner-up for individual honors, played sizzling golf during the tournament, shooting a brilliant 77. Ted Whittemore's 81, Al Bresnick's 82, Bob Zielinski's 88 and Dave Hanson's 87 paced the team on to victory.

Starting the season with only four returning lettermen and losing two of their first three matches, the team seemed to have little depth. However, the squad desired to win and worked hard during daily practice sessions which enabled them to win the prep school tournament and 6 of their 9 matches.

The first match of the season was played against a strong Laconia High team, at the Den Brae Golf Club, which is Tilton's home course. The team suffered a disheartening loss of 5-4, with Captain Dave Hanson, Ted Whittemore, Dennis Koblenzer and Al Bresnick sharing the scoring honors with forties. In the return match with Laconia at the Laconia Country Club, the team again lost, 5-4.

An 8-1 victory against Lakes Region rival Proctor Academy followed. This contest's low scores were recorded by Ted Whittemore, Dennis Koblenzer and Larry Putterman, all shooting 38's. In the return match with Proctor on May ninth, the team again won 5-4, seizing their first victory away from home.

Against arch-rival New Hampton this year, the golfers won both matches, the first 5-4 and the second 5½-3½. Whittemore took low honors in the first meet, shooting 37, with help by Dave Hanson and Larry Putterman winning their individual matches. Al Bresnick led Tilton's attack in the second meet, sinking a crucial put on the 8th hole.

The next two matches were held against Berwick Academy and Franklin High School, with Tilton winning the matches by scores of 7½-1½ and 6-3 respectively. Sophomore Harrie Hart led the team to both victories, winning both of his matches. Against Berwick, Koblenzer gained low honors with a 37, while Whittemore and

The last match of the season was held against a strong Brewster squad. Losing $5\frac{1}{2}$ - $7\frac{1}{2}$, the team gained valuable information about the Wolfeboro course where the Lakes Region finals were held which they eventually won.

Undefeated Boynton Only Varsity Net Men Bright Spot

COMPARED to previous years, the varsity tennis team completed a mediocre season, as they won 7 and lost 3. But under the leadership of Coach "Jimmy" Simpson and Captain Mark Boynton, the young players exhibited fine talents with four sophomores, a junior, and only two seniors in the starting line-up. This year's squad, although suffering some disheartening defeats, displayed excellent team spirit and sportsmanship.

Number one player Mark Boynton played a strong first place position as he continued his fine singles playing, compiling a 10-0 record. Bob Stevens, known for his squash playing ability, played a powerful No. 2 position and Dave Williams backed him up in the third place. Bronson Hawley played fourth man, and "Surfer" Schlacks followed in fifth post. John Morton, the most energetic member of the team, played his role well in sixth place to form the varsity No. 1 team.

In doubles, Stevens and Boynton combined and gained an impressive record of 9-1. Playing a strong offensive game, these two netmen proved a formidable team. The sec-

ond place team was occupied by Hawley and Williams who also formed a strong opposition, compiling a record of 7-3. This team proposes an excellent future as both of them are sophomores. The third doubles team alternated between "Willie" Hamilton, Morton, and Schlacks.

Throughout the year, the battling netmen displayed fine and eager talents, plus a real determination for victory. This determination should carry over to next year as four sophomores pose as starters. This type of team will prove extremely valuable as they enter next Spring, and a new season, because only two starting members will have been lost.

In their matches this year, the net-men defeated Holderness and Laconia twice; splitting matches with New Hampton, and taking one match from Berwick and K.U.A. The only losing section of this year's season fell into the hands of Proctor, as the team was defeated twice. All in all, this adds up to a 7-3 season, one which any growing team can be proud of.

WINNING two and losing seven, the junior varsity tennis team suffered a rather disappointing season. Coached by Mr. Walter Spencer, the team exhibited a fine brand of sportsmanship and team spirit throughout the season, even though they were handily beaten numerous times by stronger opponents.

Team captain and number one man Booth Kates did well against all opposition with a record of five wins and two losses in singles play. Jim O'Leary, playing second man, teamed up with Kates to be unbeaten in doubles, winning seven matches for the team. Ray Langenbach, Scott Caddy, and Jep Possee alternated at third position singles and played well

here. Alex Barber, Pete James, Dick Caro, and Harry Furman completed the team's starting line-up with spirited playing.

The season began on a high note with a well earned 5-4 victory over Proctor Academy. A 5-4 setback by New Hampton followed in a close, hard fought contest. New Hampton's clay courts took their toll of Tilton men, as the J.V.'s lost 8-1 in their rematch with our arch-rivals.

A strong Holderness team invaded Tilton and left with a 7-2 win under their belts. The J.V.'s gave Holderness a better contest on the foe's courts, losing 5-4 in a match that was not won until the last set was decided. Playing a third match the Junior Rams again were defeated 6-1.

With their record standing at one win and four losses, Tilton disposed of the K.U.A. team on their home courts, 5-2. Still smarting from their loss to the Junior Rams earlier in the season, Proctor sought revenge and got it to the tune of an 8-1 victory. In the final match of the season, an inspired Cardigan Mountain team defeated the J.V.'s 7-2 in a lop-sided but well played match.

Strong Running Team Places Second in Lakes Region

COMPILING a winning 4-3 record, the varsity track team enjoyed a successful season, defeating New Hampton's strong squad in a dual meet and placing second in the Lakes Region Championship Meet.

Tilton's big threat this year was virtually the strongest running team in Lakes Region competition. Scott Laurans and Dick Traister consistently led the field in the mile run, and Captain Dick Lyman broke many a tape in the 880 yard event. In the sprinting events, Bob Marble, "Jungle Jim" Long, and Pete Dexter proved almost unbeatable as a team. The high and low hurdles events also brought home many first-place points for Tilton, with Pete Blasini and Cameron Boyd alternating between first and second places in the highs, and Pete Dexter winning every low hurdle event except one. In the field events, Tilton had several strong men, but lacked the depth needed to win consistently. Dave Lindquist and Chuck Zion were the work-horses in the shot-put, and Wayne Libby and Al Cohen kept busy throwing the discus. In the broad jump, Pete Fertig, Pete Dexter, and Cameron Boyd

usually held up their end, and a well-balanced high-jump team of Marty Freeman, "Flip" Hamblet, Pete Blasini, and Jeff Stevens finished in a consistently close grouping near the top. The javelin and pole-vault were our weakest events, with teams composed of younger boys whose main lack was simply experience.

In a sport as basically individual as track, it was amazing to witness the spirit, the sense of being a team that existed throughout the year. There were no "walls" between the participants in different events, and many times a boy who was good in his specialty was recruited by the coach in a different event to help fill in the gaps. Notable examples of this were Dick Lyman, who one day decided to test his mettle in the javelin, and won the meet when the standard 150 ft. tape was not long enough to measure his toss, and Pete

Dexter, who won the first meet in which he pole-vaulted, and went on to tie for third place in the Amherst interscholastic meet.

With this year's team composed mainly of underclassmen, Tilton expects to field an even stronger team next year, and we all are hoping that Coaches Nicholson, Schmidt, and Smith can make it not only a strong team, but strong as a team, as was this year's.

Lecture Series:

"Freedom of Communication"

UNDER the direction of Reverend Penberthy, Tilton School was host to lectures of all sorts in its 1963-1964 lecture series "Variety Unlimited."

John Charles Daly, television personality and President of Tilton's Board of Trustees, officially opened the 1963-1964 Tilton School Lecture Program on Parent's Weekend. The final words of his speech on "Freedom of Communication" were met with a standing ovation. "The current international scene is replete with examples that blood and tears is the price to be paid for bartering the freedoms of others to secure your own. Blood and tears is an awful price to pay, but who among us today does not clearly see that the loss of freedom is the highest price of all."

Mr. Daly was not the only speaker concerned with personal and public liberties. Mr. Paul Parks, Massachusetts N.A.A.C.P. leader lectured on de facto segregation and the plight of the Negro in the North. Mr. Parks was followed by Mr. Jack Woodbury, a former Tilton master who returned in February to deliver his views on the "American Internal Revolution". Mr. Woodbury saluted the Negro leaders who are struggling to lead a "fumbling and stumbling America towards equality", but expressed concern over the violent tactics of a minority of Negroes. After preparatory chapel talks, Dr. J. Duane Squires of Colby Jr. College, one of the chief authorities on New England history, lectured on the "Achievement of the Civil War".

Comedy was introduced to the series by the comely British comedienne Jacqueline Mackensie. Having survived the "Jack Parr", "Today", and "Ed Sullivan" shows, Miss Mackensie brightened the Tilton campus with her performance of "Hilarity Unlimited".

Miss Leslie Frost Ballentine, daughter of the late American poet Robert Frost, innovated the "campus visit" to the Lecture Program. The poetess remained on campus for three days, in the duration of which she presented informal discussions, two lectures, "The Meaning of Culture" and "Readings from Robert Frost," and attended classes.

Pulitzer Prize winner Donald Murray, Tilton alumnus, educator, and free-lance writer, spoke on "The Novel." His knowledge and wit made the lecture of special interest.

"Hilarity Unlimited"

"Variety Unlimited"

Two musical groups appeared on campus in conjunction with the Lecture Program. A vocal group from Middlebury College, "The Dissipated Eight", were enthusiastically received before cutting their first record for Capitol Records. In April, the Connecticut Woodwind Quintet entertained the entire student body with selections which ranged from Mozart to the contemporary Jacques Ibert. As an encore, the group played a Russian march by Wilhelm Kapp that had never been performed outside of the Soviet Union except by the Quintet.

"The Population Explosion" was the theme of a lecture by Dr. Raymond Barret who showed evidence that humans are capable of reproducing themselves off the earth in future generations. He urged that precautions be taken to prevent this from happening.

"De facto Segregation"

Following Dr. Barret was Dr. Herbert Ross Brown from Bowdoin College who delivered his address at the Cum Laude initiation. Dr. Brown warned against falling into various "intellectual cults" in college, noting that interest and expression are the keys to success.

The final and perhaps most enlightening lecture of the year was a discussion of "Science and Religion" between physicist Harold Schilling, Dean of the Graduate School at Pennsylvania State, and Swiss theologian and psychoanalyst Hans Hoffman, former director of the Harvard Mental Health Clinic. Dean Schilling urged scientists to leave the "monastery of science" and to take responsibility for their work. Dr. Hoffman's discourse on religion centered around the theme that "the task of modern theology isn't to tell us what is 'up there', but to challenge us to be so alive and open-minded that it realizes itself through us". A question period followed which enabled students to obtain answers to their questions from the views of both religion and science.

All Tilton lectures were followed by informal discussion groups which allowed a free flow of ideas between the speakers and the students. The lecturers often commented on the great enthusiasm expressed by the student body.

Student Council

First row: Taylor, Johnson, C., McKallagat, president, Blasini, Fay N., second row: Hunt, Myers, third row: LeFlore, Connor, Aeschilman, Thomason.

Beginning on a well developed basis, exhibiting an excellent sense of cooperation, and developing a healthy willingness to work, this year's Student Council, under President McKallagat, made various significant contributions to school life. Concrete achievements exemplify the fact. "Program 64" for senior responsibility was added. A much needed re-evaluation of the determination of the Merit List and resulting privileges was undertaken. The social atmosphere at Tilton was raised to a position which

voices leisure time encouragement for the coming years. Greater responsibility in regard to acceptance of non-proctored study time and over all decision-making was sought and finally materialized into a substantial program during the latter part of the year.

Intangible gains are also discernible. Such factors as increased school spirit and campus harmony were prevalent and the path for greater student representation was widened by diligent effort.

The Tiltonian

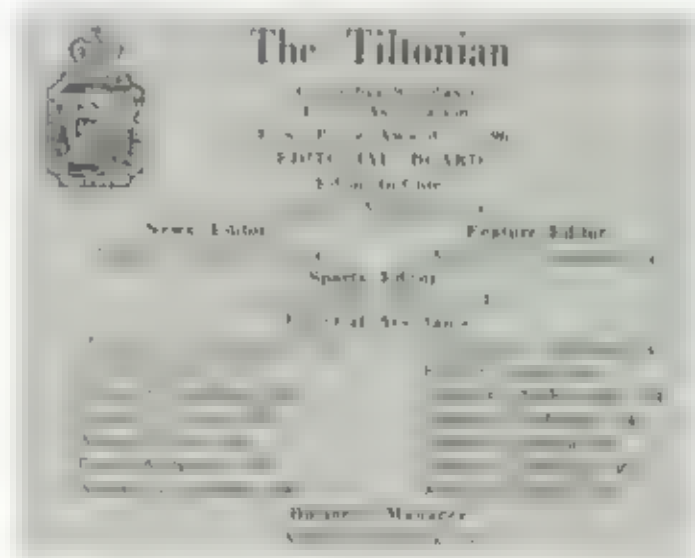

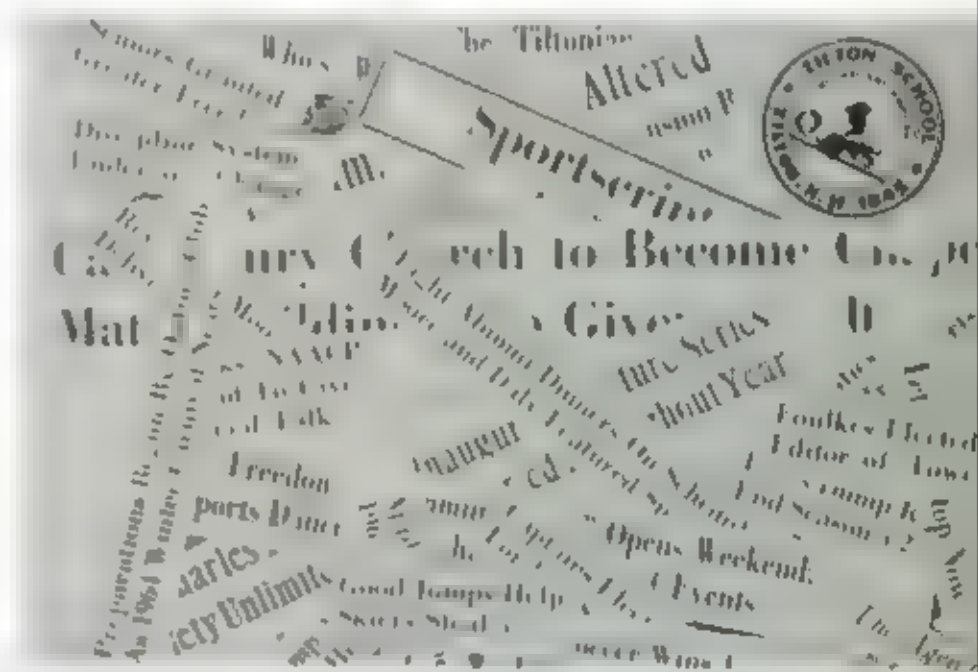

First row Smith, R., Martin, Converse, Karelis, Rosenfield, Corey, *Second row* Gallagher, Harvey, Morgan, Whittlesey, *editor*, Foulkes, Johnson, Gilmour, *Third row* Smith, De, James, Herlihy, Friend, Putterman, Brennan, Aeschilman, Goodman, MacKallagat, Cohen, Gleason, Hawley, Kates, Connor, Jepson, Shaffer.

The *Tiltonian* staff of this year continued the effort of last year's staff to bring the *Tiltonian* to the forefront of student opinion. It has been the aim of the *Tiltonian* this year to produce not only meaningful and timely papers, but also ones that can be enjoyed. For this reason feature articles such as the Faculty Portraits, interviews, and "The Agenda" were continued and news articles were made more concise and readable. The *Tiltonian* carried the first announcement of the gift of the new chapel.

While monthly publications were issued on several occasions, *Tiltonians* were produced within the space of two weeks in order that they might appear just previous to vacations or on the day of some special event.

By stressing originality in articles, columns and photographs, this year's *Tiltonian* has taken another step in becoming one of the chief voices in school life.

DRAMATICS CLUB

In the beginning of the 1963-64 school year Tilton's prospective "Oscar winners" met under the direction of Mr. John MacMorran. The members elected Richard Goldsborough as their president, and immediately set about the task of choosing a play for their annual production at the Winter Carnival.

The students ordered ten prospective plays, and after close examination by the club, chose "Mr. Roberts" by Thomas Heggen and Joshua Logan, a hilarious but poignant tale about the tragedy and comedy that takes place on a Pacific based "rusty old bucket" during World War II. Tryouts were scheduled and competition for major and minor parts was sharp.

John Kanwit was selected for the leading role as Lieutenant Douglas Roberts, the guiding spirit of the cargo ship's crew. Nat Koenig very effectively portrayed the childish and unreasonable captain, Dana Hull played "Doc", the only unaffected person aboard the backwash, David Burrill did a superb job as the lazy but witty Ensign Pulver, and Mrs. Jill Penberthy, a veteran of the Tilton stage, portrayed Ann Girard, the nurse with unique physical features.

There seemed from the very beginning to be the right amount of veteran talent, administrative interest, and sincere student eagerness to put on a highly successful show. No one doubted the dramatics Club's capabilities after the curtain fell on "Mr. Roberts" as the entire cast, crew, and advisor were wildly applauded on stage.

First row Thorn, Goldsborough, *president* Connor, *Second row* Engleson, Fertig, Pettee, Gilmour, Stallworth, Howlett, Herlihy, Striesheid, *Third row* Martin Dolan Karelis, Burrill, Brennan, Kanwit, Hiliard, James, Dale, Taylor, Converse.

OUTING CLUB

The 1963-1964 Tilton School Outing Club under the direction of Mr. Robert Graham accomplished a great deal. This year's club conquered mountains Tecumseh, Osceola, Cannon, and Lost Lake, all of which are more than four thousand feet high. The trip to Tuckerman's Ravine scheduled for early spring failed to materialize, much to the dismay of the skiers.

The club also maintains a trail at Mt. Cardigan in Alexandria, New Hampshire. Named the Skyland Cutoff, the trail bears the school colors of black and gold. It is

about three and a half miles high and connects the ski lodge with the summit. Outing Club members blazed the trail, cleared the path, and put markers along the whole distance. In next year's "Appalachian Mountain Club White Mountain Guidebook," the trail will be officially recognized and publicized for the first time.

Mr. Graham is awaiting next year already and is planning bigger and better things for the Outing Club. With three out of the four officers returning next year, he should have the nucleus of a strong group.

GLEE CLUB

This year as in the past, the Glee Club was well stocked with a large group of singers. Its members joined in song twice a week throughout the year with main purpose being enjoyment. Since the Glee Club is an open organization, boys with varying abilities immediately became qualified. As in every year, no matter what the talent, Mr. Theodore Garland, director, produced a group of boys well-trained and very enthusiastic about their work. The Glee Club's accompanist was James E. Possee from the class of '65.

The Glee Club's annual first appearance was in the school gymnasium on Parent's Day night, October 26. The remainder of the Glee Club's year was well-occupied with the Christmas Vesper Service, participation in Sunday chapel programs, a dedication service on May 16, and the Baccalaureate Service on May 31 in the Methodist Church.

The high point of the Glee Club year comes annually in the month of April. This year the Lakes Region Glee Club Festival was held in Tilton's own Alumni Hall. On Sunday, April 19, the glee clubs of Kimball Union, New Hampton, Proctor, and Tilton joined in a very successful concert. Through the efforts of Mr. Garland, the festival's only remaining founder, this event has become a tradition in the Lakes Region.

First row: Possee, J., Raymond, Caraway, L., Johnson, C., Zander, president, Morton, Laurans, Karelis, Dolan. Third row: Millett, Thorpe, Burnett, O'Leary, Bogash, Price, M., Stevens, M., Booth, S., Brandstatter. Fourth row: Larson, Wiggins, Elkins, Giftos, Weir, Stiresfield, Neal, Ecklund, Winkler.

The Tiltonaires, often referred to as Tilton's triple quartet, once again experienced a very successful and active year. Tiltonaire members also under the direction of Mr. Theodore Garland, are chosen from the Glee Club. This group's main interest and goal is fun and song although they receive much greater satisfactions throughout their busy year. The Tiltonaire season is always amply filled with concerts for hospitals, church groups, girls' schools, and other such organizations.

At the beginning of the spring vacation, the Tiltonaires embarked on their annual spring tour. This year their journey carried them from Tilton to Rowayton, Connecticut. Mr. Garland, the traveling twelve, and Mr. John MacMorran performed six times in the three days of the tour. The group entertained at Milford High School, Milford, N. H., the Unitarian Church in Greenfield, Mass., the Newington Hospital for Crippled Children in Newington, Conn., the McCook Hospital, Hartford, Conn., Simsbury Baptist Church, Simsbury, Conn., and the United Church of Rowayton, Connecticut.

The spring tour has become the highlight of the Tiltonaire season.

Under the direction of Mr. H. Shaw Scates, the Arts Club managed to fulfill its three main purposes of educating its members in all the arts, serving the school in a creative and artistic manner, and providing a social outlet from school routine.

The club, as in the past, exhibited its theme of variety unlimited as the boys first travelled to the Museum of Fine Arts in Boston where many different kinds of paintings and ancient relics were unfolded to curious eyes. The club later journeyed to several other art centers in the New England area, and for the first time in recent years, sponsored an art exhibition of stu-

dents' work in the reading room of the library. The works on display were largely completed during informal art classes held by Mr. Scates during the school week.

With no tradition to follow, the unique Arts Club this year undertook to have its annual lobster and clam bake where it should be held, at the beach. After overcoming a bit of difficulty in obtaining permission to cook, the day turned out to be a tremendous success. At the end of the day, everybody realized that the Club had fulfilled one of its purposes to combine learning and pleasure to create different and enjoyable experiences.

Varsity Club

The Varsity Club is the newest club on the Tilton campus, having originated in the Spring of 1963 through the efforts of five members of this year's Senior class; Steve Adamic, Jim Derderian, Chip Morgan, Don Mooradian, and Blaine Etter, along with the assistance of the club's advisor, Mr. Richard Ryerson.

The purpose of the Varsity Club is not only to create an interest in athletic participation, but also to stimulate scholastic achievement. Because of this, the qualifications for club members include a certain scholastic average plus a varsity letter in at least one sport, as well as abiding by certain training rules.

The members of the Varsity Club took charge of the Parents' Day this Fall, sponsoring a pep rally, organizing a cheering section at the football game with arch-rival New Hampton, and preparing the gymnasium for the Fall Sports Dance, the first major social event of the year.

During the past winter, the Varsity Club, along with several coaches journeyed to Boston to cheer on the Boston Bruins as well as sponsoring several sports films shown

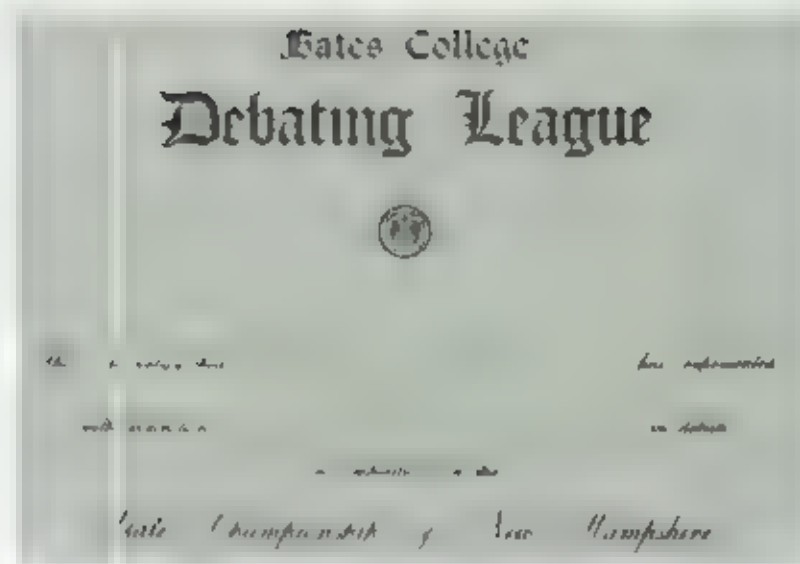

at Tilton and having charge of the Faculty-J.V. Basketball game. Varsity members also assisted in the redecoration of the snack bar.

The members on the Varsity Club are deeply grateful to Mr. Ryerson, not only for his guiding advice, but also for his lasting patience with this new and increasingly important club.

Debating Society

Although this year's Debating Society was much smaller than those previous, it proved to be the most energetic and active in the school's history. The main goal of the society was to provide each of its members with experience in debating, which, because each of the eight society members had no debating experience, was a formidable task. The society's leaders were elected early in the year, Richard Smith as President, Larry Putterman, Vice-president, and Barry Gorevitz, Secretary-treasurer; were able to achieve the club's goal.

As a member of the Bates Interscholastic Debating League, the club travelled to New Hampton early in the Fall to attend the League's opening panel discussion on the national topic: "Resolved that Social Security benefits should be extended to include complete medical care." In the following

months, Tilton debated this with Holderness twice and climaxed its season by sending a team to Columbia University's Debate Tournament in March.

The first contest of the year put two freshmen into action against Holderness in a practice debate on the civil rights issue. A victory on a different topic was achieved by Basil Chigas and Curt Ivey in a debate on the merits of capitol punishment against a girl's team from Milford High School at Milford.

The year closed with the Bates League's Tournament in Lewiston, Maine on April 11 at which Corey, McCown, Putterman, and Smith debated. With all but one member returning for next year's season, the experience gained this year should provide a strong foundation for future teams.

Seated, Gorevitz, Smith, president, Putterman, standing McCown, Chigas, Corey, Didsbury.

Parnassus

The *Parnassus* is Tilton School's literary and art magazine. Boys who have an interest in creative writing, poetry, and/or art are thus given a good opportunity to create and contribute. The *Parnassus* is usually published once a year, with the content solicited from the student body at large and the staff in particular.

The name "Parnassus" comes from Mount Parnassus, one of the holiest mountains of classical Greece. Here Appolo, the Muses, and art were hallowed above everything else. Thus, "Parnassus" is a very suitable name for a publication devoted to furthering intellectual creativity.

The goal of the *Parnassus* is to give boys an outlet for their talent and to stimulate creativity. The *Parnassus*, as an institution, symbolizes the dream of every good school — independent student thought, initiative, and effort.

This publication is a good measure of the intellectual climate and caliber of our school. Since Tilton School is progressing academically and intellectually, as well as growing physically, the *Parnassus*, as a tool of student thought, should play an ever-greater role in school life.

With increased interest in future years, the *Parnassus* staff hopes to produce an issue twice rather than once annually.

Harvey, Gleason, Aeschilman, Putterman.

Mineral Club

Under Mr. Archie Berry's direction, the Mineral Club has provided an education in mineralogy and geology to an increasing number of enthusiastic rock-hounds. The members are trained in mineral identification and in the use of various types of geologic maps. The members maintain and expand the club's collection of rocks and minerals. The club also serves as a field of further learning for students of physical science.

The club started off a year of successful field trips with an unnerving adventure in search of the Keys Mines in Northern New Hampshire. After four hours of wet and muddy searching, the treasured mines were finally located. Although many difficulties were encountered on this expedition, the

outcome was quite rewarding, for in the spring the club returned to the mines and thoroughly explored its mineral resources. Trips to other nearby mines, although less eventful, were also profitable.

The Mineral Club is a guest at each monthly meeting of the Capital Mineral Club in Concord. Many Tilton students hold membership in the Capital Club. Associates from the Capital Mineral Club have organized and guided many of our club's field trips. At Concord, club members attend lectures given by authorities in the fields of mineralogy and geology.

On the whole, it is easy to say that every Mineral Club member has received a good deal of fun and knowledge from this year's membership.

FRENCH CLUB

The French Club was founded four years ago to provide interested students with a closer look at and appreciation of French culture. One of its major aspects is oral seminars in which various members give a report in French on certain aspects of French life.

The French club has known no boundaries. Under the direction of Mr. Timothy Weston and club president, Peter Blasini '65, it has travelled to Boston, the University of New Hampshire, and Dartmouth College to attend various films or plays and has held its own program of films on the Tilton screen. These films come to the club from the French Embassy in New York.

This year's films varied from travelogues — Paris at sa Garde, Paris en plein ceil, La Cite' Universitaire — to biographies — Saint Exupery, Avec Andre Gide — to historical films — Napoleon et la Naissance.

During the year the club has been able to raise fifty dollars for more films, tapes, and excursions. This abundance of capital will make it possible for the club to expand its activities and facilities.

I SAY, THERE'S A JOLLY GOOD
FRENCH MOVIE AT THE STATE
THEATRE

To end the year, the French Club, at the invitation of the Arts Club, went on a lobster bake at Wallis Sands, New Hampshire. The warm sun and cool water brought a joyous and well-deserved change to those who had worked so hard to make this year a successful one for the club.

First row: Converse, Epstein, Hansen, Karcus, Second row: Horner, Posse, Harvey, president, Shaffer, Third row: Kates, Chandler, Derderian, Adamic, Davignon, Lawner, Hilliard

This year the Photography Club innovated many new ideas in which student participation was prevalent. Under the direction of Mr. Walter Spencer and President Dave Harvey, the club played an important part in furnishing pictures to school publications, as well as furthering their knowledge of the photographic art.

Throughout the year, members were given instruction by the officers in darkroom procedure, to teach the new members the fundamentals of photography while providing excellent review for more experienced members. In correlation with these instructions, the Eastman Kodak Company

provided the club with a complete slide show series.

The highlight of the Photography Club's year was the Spring Photo Contest, which was open to the entire school. The entries, which were judged on the basis of composition, appearance, technical quality and originality, were displayed in the reception room of Plimpton Hall and in the reading room in the library. Winners of the different categories were Douglas Shaffer, sports and miscellaneous, and Robert Lawner in landscape. The Spring Photo Contest added an additional limelight to the club.

K1ZSW

Tilton School Radio Club

The school year of 1963-64 has been an important one for the Tilton School Radio and Electronics Club. In addition to K1ZSW, the club's amateur radio station, the club has now enlarged to include code and theory classes for prospective amateurs, instruction in kit building for those members who are hi-fi or stereo enthusiasts, a current radio periodicals library, and increased construction facilities for members pursuing private or club projects.

Our advisor, Mr. Russell Hansen, W1-PKM, and two term president Bob Foulkes, K1PAM, have provided the leadership, spirit and enthusiasm necessary to make the club a success.

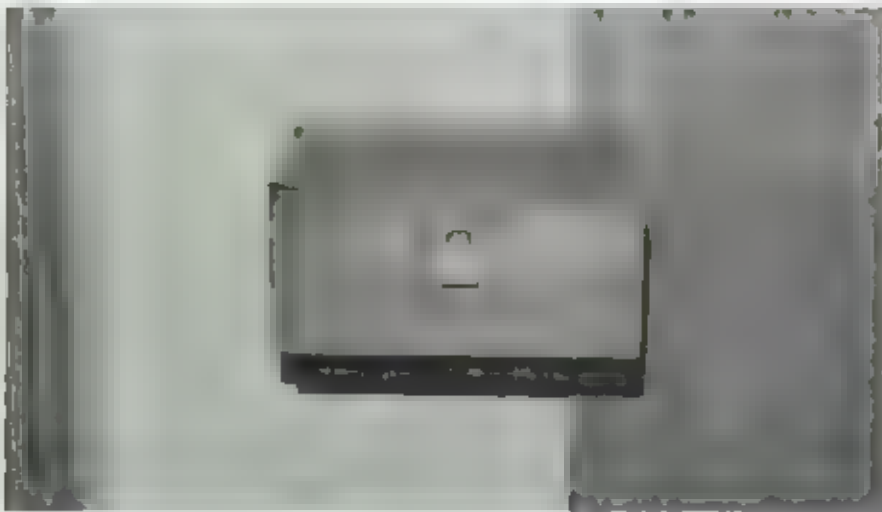

During the year the club included in its projects the redecoration of the club room and the construction of several work benches. A 1000-watt amplifier for the ham radio station and the construction of several pieces of test equipment were also added.

The Sunday after its final meeting, when Dave Friend was elected next year's president, the club held its first annual cook-out at Webster Lake to climax its most ambitious and prosperous year.

First row: Payer, Smith, Sanborn, Rosenfield, McFlora, Williams. Second row: Gilmour, Mr. Hansen, Foulkes, president, Hamilton, Sienkiewicz. Third row: Friend, Moss, Freeman, Near, Nissen, Ferrante, Ephraimson, Brandstatter.

Tower

A yearbook is a tangible record of intangible experiences; a collection of pictures, accented with words, which recall in later years special thoughts and feelings of failures and triumphs, of sad and happy events, of the end of the beginning. The class of '64 graduated on the twentieth anniversary of D-Day; but, for them it marked the end of their beginning rather than the beginning of the end.

The '64 Tower has attempted to suggest the year's notable events and it has been blessed with covering a most notable year. Beginning with the football win against New Hampton and closing with that sunny, cool June morning, Tilton has witnessed and has been part of many exciting events and changes, which the Tower recalls in its pages. And in keeping with this new atmosphere of vitality, the Tower staff has innovated certain changes in the appearance of its yearbook designed to make it not only more colorful but also more interesting. With these changes in mind, the staff hopes that whether the traditional cover becomes worn from use, or covered with dust, the Tower is accurate and enjoyed.

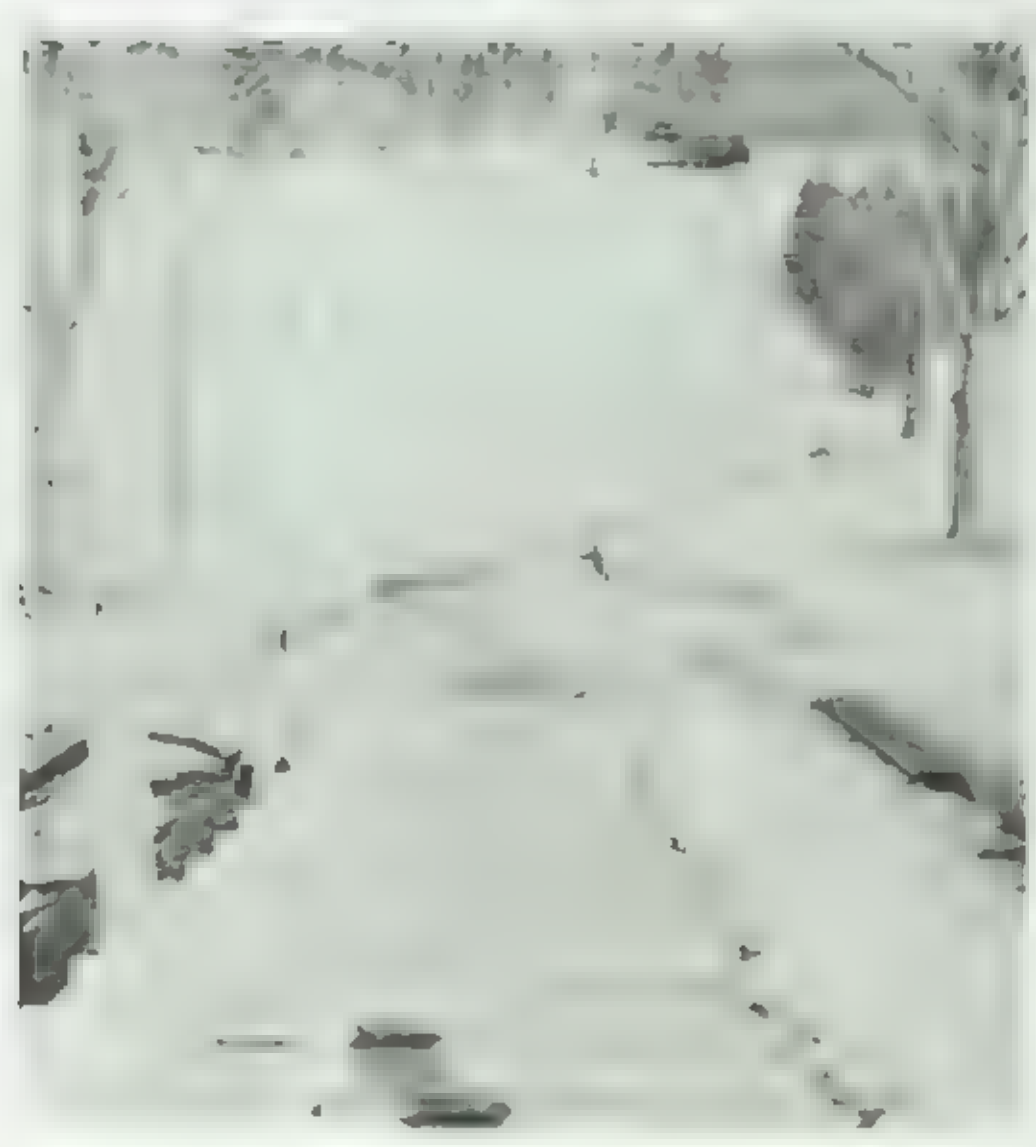

First row—Smith, R., Aeschilman, Kates, Karchis, Rosenfield, Corey, Second row—Boyd, Hilliard, Myers, Foulkes, editor, Goodman, Gaffin, Gilmour, Third row—Putterman, Smith, D., James, Derderian, Blasini, Gifros, Adamic, Cohen, Zapareski, MacLaughlin, Johnson, Shaffer, Harvey.
